

# HEALTH & SAFETY POLICY STATEMENT

ISO 45001

POLICY  
REFERENCE:

P010

ISSUE DATE: 18 November 2016

PAGE 1 OF 1

The objective of this policy is to promote Kingcombe Aquacare Ltd's strategic direction for attaining and maintaining high standards of health and safety performance throughout the company's activities. All persons conducting activities under the control of the company will adhere to this policy.

Relevant H&S legal and other compliance obligations applicable to its activities have been identified by the company, and these shall be met or exceeded in line with current best practice wherever possible.

The company is committed to the continual improvement of the H&S management system and to preventing injury, ill-health or dangerous occurrences, so far as is reasonably practicable, by:

- Demonstrating visible management commitment to high standards of health and safety performance and the promotion of a positive health and safety culture throughout the Company;
- Providing and maintaining a safe working environment, together with adequate facilities and arrangements for the welfare of employees;
- Providing and maintaining safe plant, equipment and systems of work;
- Providing and maintaining a safe means of access and egress to and from the workplace;
- Having in place adequate arrangements for the regular assessment of work activities in order to identify related hazards and to control associated risk;
- Having in place effective systems to protect employees and other persons affected by company activities;
- Having in place adequate arrangements to ensure safety in connection with the use, handling, storage and transport of articles and substances;
- Providing such information, instruction, training and supervision as is necessary to ensure the health and safety of those working on behalf of the company;
- Setting and reviewing H&S Objectives to strategically improve H&S performance throughout targeted areas of the company's activities and H&S management system.
- Consulting with the workforce and other (including external) relevant parties on effective management of H&S during all work activities.
